To Mrs J. H. Chapman
Phila Pa.

Mr King has left some coin catalogues with me to bind. Stating that you have referred him to me for which I am very much obliged indeed.

The gentleman is at a loss to understand why I did not receive one of his catalogues. I stated I did not get any or I had not the slightest intimation of a sale taking place. Perhaps you can give some light on the subject. Trade is very dull just now, I suppose you have a lot of binding, and would be pleased to solicit it.

Yours very truly
